Ohio State Game Tickets Policy

The YSU ticket office has set a policy for the Sept. 1 game in Columbus against the Buckeyes. The ONLY way to guarantee tickets to the game is with a membership in the YSU Penguin Club at the Royal Level (\$200) or above. Fans receive the option to purchase the number of YSU/OSU tickets equal to or less than the number of tickets allotted with a Penguin Club membership.

For season-ticket holders, who are not Penguin Club members at the Royal Level or above, they will need to fill out and return their season-ticket renewal form along with YSU/OSU Ticket request form with credit card payment information by June 30. After June 30 those entries will be put into a lottery and season-ticket holders will be drawn. Each entry drawn will receive and be charged for two tickets.

For YSU students, there will be a one-day sale in August (exact date to be determined) in which 500 tickets will be made available. Students will be alerted via email and the YSUsports.com website.
